

## Faith & Family Ministry

Faith And Family Ministry Announces: "Catholic Families"  
Family and Friends in Faith

Catholic Families is a new ministry designed specifically for the family!

Each month, this group will host one family event: picnic, bowling, movie day, etc. The goal of this group is to enrich and strengthen the faith of families by providing fellowship, support and Catholic-centered activities for the entire family.

Why Faith and Family?

Saint Paschal has grown to more than 6,000 families!

Now we want to provide even more resources that can strengthen the faith, love and affection in all our families, as well as console and help those who might be struggling.

Faith & Family Ministry is a resource that families can call on every day. We create new programs, and support events already here for our youth, young adults, married couples, and seniors, as well as families in crisis. We hope to have something for everyone!

For more information about this ministry, please call Rhett Young at (805) 496 0222 ext. 169 or send him an email.

Thank you and God Bless!

Rhett A. Young

Director of Faith & Family Ministry
