

Hello Confirmation Families. Lenten Blessings to each of you.

To close out our confirmation year, during the month of March first and second year students will be working virtually in a four-week retreat called “Greater”. Our goal for the retreat is to take our confirmandi from a place of complacency to a place of zeal. Our hope is that this experience will be a source of encouragement, and positivity, and increase their love for God.

The retreat is split into four sections, one for each week of March. At the end of each section, students will be required to join one of four small group meetings. They can choose to attend the same small group each week or go to a different one each week. We will be holding two of the small groups in person and two online via Zoom.

Each week will include 3 video sessions and 1 prayer experience. It should take less than 90 minutes a week to complete. All course work for the week must be completed before they attend small group. We suggest registering this week and starting the retreat on March 1st.

An adult guide is included with the retreat so that parents and sponsors can join in. The guide will walk you through how to be intentionally involved in the retreat experience and give you access to all of the student sessions.

To Register and for more information visit our website

www.StPaschal.org/retreat

Please let us know if you have any questions or need help registering. Make sure you are registered before March 1st. Student sessions are work at your own pace. Week one starts March 1st and needs to be completed by March 7th.
